

Olathe Paper May 1 - 1899

Decoration Day.

The 30th of May is close at hand; only thirty days hence, and the committee heretofore appointed, of which S. R. Burch is president and A. H. Lott, secretary, met for the purpose of arranging the particulars and the preliminaries. H. A. Taylor and Thos. McGannon were added to the committee on decoration to fill vacancies, caused by the absence of some of the old committee from the county. Capt. J. W. Parmetar, Lieut. S. R. Burch and Adjutant Wm Pellett were appointed a committee to find out and report the names of the soldiers buried in the Olathe cemetery, for the purpose of reporting them to the war department for monuments to their graves. Let everybody make next Decoration day a grand and glorious occasion, never to be forgotten in the memory of the people of Olathe.
